

# From Conception to Completion

We pride ourselves on providing the expertise.

## WHO WE ARE

Extreme Furniture Solutions is one of the UK's leading furniture providers to landlords, letting agents and property developers. From concepts and designs to installation, our team can create the perfect bespoke environment for your property, be it Residential or Commercial.

Whether from a design brief or blank canvas we have a lot of products to choose from. We have solutions for all your furniture needs.

We have an easy-going and professional manner with a 'can do' attitude. We pride ourselves on providing the expertise & passion to manage your installation.

From conception to completion, Whether you require one unit to be furnished or an apartment block.

Once the installation is complete we remove all packaging and get your property ready for immediate occupation.

We also provide a remove and replace service – removing old, unwanted furniture and replacing with new, contemporary pieces, and can liaise with your tenants or contractors regarding delivery.

For any further information on our range or services, please navigate to the 'contact us' page to speak to one of our team member.
