GOLDEN LEAF PEST CONTROL AND CLEANING COMPANY SINCE 2009

Golden Leaf UAE is professional services providing Company in Dubai that provides *Pest Control in Dubai, Carpet Cleaning Dubai and Plumbing Services in Dubai* to individual and commercial customers. Our services are reliable, environmentally friendly and cost effective. Golden Leaf UAE focus on customer service and extensive training of all the staff ensures long-term relationships with customers. So whether the customer requires *Pest Control in Dubai*, their home or an annual contract for the cleaning of a high rise mixed use buildings; Golden Leaf UAE can provide reliable service and excellent value for money for both big and small jobs.

Golden Leaf UAE is services provider firm our sphere of services are *pest control in Dubai, deep cleaning, Sofa cleaning, Carpet Cleaning, Plumbing Services* and so on. Since 2009, we have risen from maintaining buildings in Dubai to servicing numerous clients in the Northern region of UAE.

We started operations just after the dot com bubble burst. Golden Leaf UAE had to work extra hard to build its client base at the time when most companies were cutting costs. We understand that we had to compete by offering some superior level of quality/standard at reasonable price in the market in order to make good name.Our formula worked – and we are still serving many of those clients even today.

Testimonials

Grade Golden Leaf in 10 out of 10. Great customer service through technical know-how, fee was fair enough and after the service phone call was a great follow up and customer care. I liked their call back procedure, they reach their client within no time.

Victoria Bryant

I have been using Golden Leaf Pest Control since 2010 and I found their services very reliable and excellent. I got the impression that Golden Leaf is credible business with integrity and professionalism. I keep their advises and recommend them.

Ibn Abdullah

Simply awesome, knowledgeable, professional, punctual and speedy service I have ever come across. Right from both the call center and the inspectors their response was very prompt. they not only exterminate but educate the customer.
